[Question]

There is something wrong with your window.  
Call a repairman, explain the situation and  
ask two or three questions about repairing it.

[Answer]

Hello, is this ABC repair shop?  
I am calling to ask you some questions about my broken window.  
My son threw a toy at the window and it is shattered.  
When can you come to replace it?  
I will be home tomorrow around 2pm.  
Can you come then? That's good.  
Also, how much is it going to cost me?  
Do you accept a credit card? Lastly, I wonder how long it would take to  
get it fixed. Okay. Tomorrow 4pm sounds good.  
Thank you. See you then. Bye.

[Question]

I would like to give you a situation and ask you to act it out.  
You would like to buy an MP3 player.  
Call your friend and ask about the MP3 Player he or she is using.  
Ask three or four questions that will help you decide  
whether you want to buy the product your friend is using.

[Answer]

Hey, Jessica. This is Jane. How are you?  
I am calling to ask you some questions about the MP3 player  
that you bought recently.  
I am going to buy an MP3 player so that I can listen to music  
when I go out to jog.  
Can I ask you a few questions about it? Thanks.  
How much did you pay for yours?  
That's a little more expensive than I expected.  
Do you think it is worth the money? I see.  
Also, what colors does it come in?  
Yes, I think I am going to get a red one.  
Plus, where did you buy it? Is it cheaper if I buy it online?  
Okay, just one more question.  
How long does the battery last? Does it last more than 8 hours?  
That's Good. I think that is about it. Your answers were really  
helpful. Thank you.

[Question]

I would like to give you a situation and ask you to act it out.

You are planning on going on a trip.  
Call a travel agency and ask three or four questions  
about the trip you want to go on.

[Answer]

Hello. I am calling to ask you some questions  
about a package trip to New York.

I am planning to travel to New York next month with my parents.

Is your package trip all inclusive?

I would like to stay at a hotel near the Central Park.

Do I have to pay extra for that? Okay.

Also, how many people will I be travelling with?

I prefer a small group so I hope there are no more than  
10 people in the group. That's good.

Lastly, what should I pack?

I would like to visit your office to get some information  
about the trip.

Do you open on weekends?

Okay. That's it. Thank you for all your help.
